

RESPONSE TO OFFICE ACTION
AND REMARKS REGARDING THE AMENDMENTS

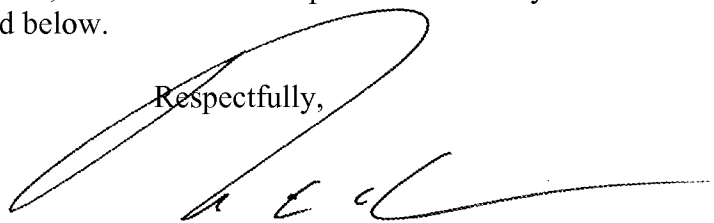

In the office action mailed September 28, 2007, claims 10-17 are pending. First the examiner rejects all claims based on non-statutory obviousness-type double patenting over claims 1-11 of US Patent 6,750,466. Second, the Examiner rejects claims 10, 15 and 16 under 35 USC 102(b) as anticipated by US Patent No. 5,696,591.

The Applicants have included a terminal disclaimer, executed by the attorney of record, in compliance with 37 CFR 1.321 along with the required fee.

The Applicants have cancelled independent claims 10 and 16, and amended dependent claims 11 and 17 to include all the intervening claim limitations. The Applicants have also amended claim 15 to depend from amended claim 11. Thus, applicant respectfully requests the Examiner to withdraw the rejections under 35 USC 102(b) and issue a notice of allowance for claims 11-15 and 17.

Should the Examiner believe that prosecution of this application might be expedited by further discussion of the issues, he is invited to telephone the attorney for Applicants at the telephone number listed below.

Respectfully,

A handwritten signature in black ink, appearing to read 'M. de la Cerra', written over a horizontal line.

Manuel de la Cerra
Attorney for Applicants
Registration No. 45,776

Dated: March 5, 2008
